Topics for Speech Contests in Chiayi City 2024
September 14

I. Teacher's Group

1. Give example(s) to illustrate how an AI APP, e.g.Chat-GPT powered by OpenAI, and Gemini powered by Google, can be of use in education.

2. What is an opinion and what is a fact? How may you tell the differences when you receive a message from the social media available to you?

3. How can you be better prepared for facing the fast development of multimedia technology, e.g. in the area of Artificial Intelligence (AI), in your profession?

II. Senior High School Group

1. Please share your experiences of using any APPs.For example, YouTube, Google Maps, Line, etc.

(Note: An APP is a computer program or piece of software designed for a particular purpose that you can download onto a mobile phone or other mobile devices).

2. What are the major differences between reading digital texts and reading the traditional paper-printed texts?

III. Junior High School Group

1. Who is/are your role-model/s in learning? Please share with us how they are important to you?

2. What is the attitude you would have when getting alone with your classmates/schoolmates or friends? Give examples to describe it.
