Part C 4%

In part C, you will hear one or more passages. Choose the best answers to those questions.

Passage 1 (請先閱讀下列試題)

Hello, I'm Andy Cooper, reporting from East Africa, where locusts are causing serious problems. Large swarms are flying around the region and eating crops. When the weather is right, they can travel 200 kilometers a day and eat enough to feed thousands of people. Because of this, 10 million people are now facing a shortage of food. The problem might get even worse. When it begins to rain in summer, locust numbers are likely to increase. The storms can also blow them even further away, to India and China. Without help, countries in East Africa won't be able to fight the locusts. For this reason, they are asking for international aid.

- C** 13. What is this talk mainly about?
- (A) Unusual weather conditions in Africa.
 - (B) The discovery of a new species.
 - (C) A natural disaster in Africa.**
 - (D) A crisis caused by bad governments.

- D** 14. Which is NOT true about the locusts?
- (A) They can travel quite far in one day.
 - (B) They eat crops meant for people.
 - (C) They usually fly in large groups.
 - (D) They benefit from dry weather.**

Passage 2 (請先閱讀下列試題)

Agatha Christie was one of the best known writers from the UK, and she's famous for her crime stories. But did you know that she was in a real-life mystery of her own? On December 3, 1926, she suddenly disappeared from her home. Police looked for her for 11 days before she was found in a hotel on the other side of the country. She was OK, but didn't remember anything about what had happened to her. Some people thought she briefly lost her mind. Others thought she did it for attention. But what really happened? Well, it's a mystery that hasn't been solved to this day.

- B** 15. What was a mystery about Agatha Christie?
- (A) Police thought she was involved in a murder.
 - (B) No one knew where she was for 11 days.**
 - (C) Her novels might be based on her own experiences.
 - (D) She couldn't remember anything for many years.
- C** 16. What does the speaker say about Agatha Christie's mystery?

- (A) Christie wrote about it in her book.
- (B) The speaker knows what happened.
- (C) People still can't figure out the truth.**
- (D) Everyone agrees she lost her mind.
